By default, everyone joins the **Master** pool and competes against everyone else. But in some cases, smaller office pools can be organized in which case common entrants want to be group together under a single view. If you are in one of these sub-pools, someone would have mentioned this to you and asked you to select that particular Entrant Group from the pull-down menu. If in doubt, please select the default **Master**.

Once complete, please press NEXT.
